Automotive / Assembly / Machine Operation
Oily Material Handling / Shipping Handling

MICROFINISH[®] WITH FULLY COATED STYLE

DESCRIPTION

ActivGrip™ 503 is specifically designed for the working environment where 360° hand protection from mechanical hazard is required. A combination of a 15-gauge seamless liner and nylon jersey cuff enables the glove to fit perfectly wearer's hands, increasing productivity. A soft yet durable nitrile coating technology, MicroFinish®, adheres to virtually any dry or slippery surface.

FEATURES

Oil Resistant

ActivGrip™ 503 offers more promising protection against oil exposure on both palm and back of the hand. Double coated surface keeps hands clean for oily material handling.

Confidence

With MicroFinish® technology, ActivGrip™ 503 promises its performance under dry, wet, and oily conditions.

Comfort

A 15-gauge seamless liner and ergonomic design assure a maximum comfort and minimum hand fatigue.
