PROTECTION WITH KEVLAR® FIBER

DESCRIPTION

PowerGrab® KEV4 is a combination of Kevlar® fiber and MicroFinish® technology, promising the outstanding cut resistance and excellent grip performance. Just like other PowerGrab® series, the thumb of PowerGrab® KEV4 is fully coated for protecting the vulnerable area.

FEATURES

Leaching

Proteins, chemical substances, and odor are leached from PowerGrab® series to minimize allergic reactions.

Safety

Extra coating of thumb area assures the most important aspect, safety.

Cut Resistance

PowerGrab® KEV4 together with Kevlar® fiber, a choice for bullet resistant vest, offers the high assurance of cut resistant protection.

Grip Performance

Revolutionary MicroFinish® promises outstanding wet and dry handling.

Comfort

A 10-gauge seamless liner and ergonomic design assure a maximum comfort and minimum hand fatigue.

Kevlar is a registered trademark of E.I. du Pont de Nemours and Company
