Shipping Handling / Yard Field Work
Gardening / General Purpose
Water Supply Operations / Building & Construction
Cold Condition

PowerGrab® Thermo meets dexterity and water repellency

DESCRIPTION

A fully latex coated glove on the revolutionary liner provides outstanding warmth and all-around protection to entire hand without sacrificing its dexterity. The combination with the MicroFinish® grip technology perfects the glove in cold and wet conditions.

FEATURES

All-around protection

The fully coated glove offers all-around protection from soil, dirt, water penetration and cold wind.

Super dexterity

13 gauge lighter and tighter knitting design ensures superior fit and dexterity which allow workers to do precise work.

Water resistant

The fully coated glove on the water repellent liner keeps hands dry and comfortable in wet conditions.

Cold protection

The fine napped liner with fully coated hand provides extra warmth and unmatched feel.

Grip Performance

Revolutionary MicroFinish® promises outstanding wet and dry handling.
